

Aquatic Control Inc. is a privately owned lake and pond management company with a main office in Seymour, Indiana and satellite offices in Valparaiso, Indiana; Evansville, Indiana; St. Louis, Missouri; Elizabethtown, Kentucky; Memphis, Tennessee; and Canton, Illinois. Aquatic Control has been in the lake and pond management business for over 54 years. Our staff consists of fisheries biologists and technicians with a combined 500+ years of experience in aquatic vegetation management, fisheries management, product sales, and aquatic ecosystem management. We are hiring a full-time entry-level aquatic biologist that will be stationed at our Canton, Illinois office.

Duties to include the following:

- EPA registered aquatic herbicide and algacide application
- Installation and maintenance of aerators, fountains, and compressed air systems
- Aquatic plant surveys
- Assisting with and writing vegetation management plans
- Fish management surveys
- Assisting with fish survey reports
- Data entry and management
- General maintenance of trucks, boats, equipment, and grounds
- Speaking at pond clinics, trade shows, conferences, and public meetings

Minimum Requirements:

- Bachelor's degree in fisheries/aquatic science, agriculture, or a natural resources related field
- Experience with aquatic vegetation identification
- GPS and GIS experience
- Basic mechanical ability (experience in outboard motor operation is a plus)
- Ability to work in an outdoor environment (physical labor required)
- Ability to work an average of 50 hours per week
- Ability to lift 50+ lbs.

Compensation:

- Hourly pay based on experience, averages \$32,000 plus overtime in the first year
- 401 K with company match on first 4% after 1 year of employment
- Company health insurance plan after 90 days
- Earned Time Off after 90 days
- Time and a half hourly rate for overtime hours
